EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms Mary Ann Taylor or Mr. Eric Robins for Mr. Thomas Pavelko on 03-22-04 & 03-23-04.

The application has been amended as follows:

Abstract on page 19 line 14, --by weight-- was inserted after "0.8-6.5%".

Specification on page 4 line 8, --by weight-- was inserted after "0.8-12%".

Specification on page 11 line 13, --by weight-- was inserted after "0.8-12%".

Note: the basis for the above percentage range is not explicitly disclosed in the original disclosure. However, reading the original disclosure as a whole, one would have reasonably understood that, the omission of the basis is an obvious error, and the obvious solution is to state that the recited percentage range is based on weight.

Claim 46 line 1, claim 45 was replaced with --claim 55--.

Also enter the attached supplemental amendment.

2. The following is an examiner's statement of reasons for allowance:

For the same reason set forth in a prior office action dated 12-04-03 numbered paragraph 6.

Art Unit: 1733

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
